## GROUP

### HOW WE WORK

#### About Us

Elderton Group's strong client base stems from Somes Cooke, a Perth-based professional services firm founded in 1976. Headquartered in Perth, Elderton Group also has offices in Singapore and London, boasting a robust global network across Europe and Asia. With affiliations granting access to worldwide resources, we offer multi-discipline advisory services. We specialize in strategic guidance, innovative solutions, and partnering with businesses to achieve growth and success. Our expertise spans growth strategies, divestment, public listings, capital raising, and R&D investment decisions, all geared toward elevating your company.

### WHAT WE DO

#### Audit & Assurance

At Elderton Audit, we're registered company auditors who deeply grasp your business, ensuring a top-notch, risk-centered service. Our audits are insightful, constructive, and rigorous, surpassing mere formalities. Teaming up with us doesn't just safeguard your business; it propels its growth.

#### R&D Tax Incentive

The research and development tax incentive is arguably Australia's premium government business incentive for innovation. Elderton R&D are experienced in this field and we understand the intricacies of R&D tax incentives. Whether you already know you are eligible for the R&D tax incentive or need our experts to let you know whether you are eligible, we are well positioned to assist you.

#### Outsourced Bookkeeping

Elderton Group is a leading provider of outsourced bookkeeping services to businesses from all industries. We understand that maintaining accurate financial records can be a time-consuming and complex process that detracts from your core business activities. That's why we offer a comprehensive range of bookkeeping services designed to streamline your accounting processes, saving you time and money.

## WHY US

### > Experience and expertise

Our business is built on the strong foundation of our Audit and Assurance division and long-term strategic partnerships with our clients. Although not "glamorous", our audit team are compliance-driven, their years of industry experience provides the technical knowledge that creates the platform for our other services.

Those we work with enjoy the benefit of the experience and expertise that our team brings, working closely with them through every stage of their journey.

### > Innovative and entrepreneurial

We aren't afraid to think outside the box and offer proactive and innovative solutions to the challenges faced by our clients. Our focus on like-minded, entrepreneurial businesses equips us with the ability to truly understand our clients and help them to adapt to change. We are responsive to compliance issues which can arise, and we provide our clients with unique and innovative solutions to resolve issues and assist them to grow their business internationally.

### > International connections

We're an Australian-based company, yet we think beyond Australia. Elderton's strong international experience and connections offer a world of opportunities for our clients, and our innovative thinking offers endless options rather than a one size fits all approach.
